The Appellant by and through counsel hereby requests this Court Extend the Deadline for Appellant to file their Original Brief and Appendix by 30 days to July 13th. In support thereof they state as follows:

1. Appellant's client contact has come down with Covid and the symptoms have prevented substantial work on the brief.
2. His symptoms persist to this day, and it is not known how long they will continue.
3. An extension to the filing of this brief will not prejudice any party.
4. Counsel for the Defendant has been contacted and does not object to this relief.

WHEREFORE, Appellant requests this Honorable Court:

- a. Extend the Deadline for Appellant to file Appellant's Original Brief and Appendix by 30 days to July 13, 2021; and
- b. Grant such other relief as is just and proper.
